TB 31/5 (Lösungsvorschlag)

Jacob had trouble with Mike, a boy at his school. He didn’t work hard enough, so his parents were very angry with him. Mike waited for Jacob outside the school and he stole his pocket money. Jacob felt very awkward. He didn’t want to go to school any more. He stayed in bed all day, so his mum got worried and she didn’t know what to do. Then Jacob had a good idea. Mike always won the school race. So Jacob got up early every day and ran around the park. On the day of the school race Jacob felt very nervous. Mike laughed at him. Then the race started. Jacob was very fast, and Mike was shocked. Jacob won the race. After that he had no more trouble with Mike.
